Mass Bay Open Water Challenge
Entry Form

Participants must sign a waiver on site. Each boat occupant must have an approved PFD and noise maker (whistle/horn). Boat occupants under 16 years of age **MUST** wear an approved PFD.

Classes may be redefined by race committee based on final entries. Fixed seat boats with outriggers (oar locks offset by 3" or more off gunwale) are in the OPEN category.

Traditional dories to be confirmed by the IDRC.

The planning intent is to have waves in an event if warranted by number of entries or shared boats. Waves may have mixed classes due to scheduling. However, final standings will be based on time within class.

Hand-carried or car-top carried boats may be launched at Nelson's Beach, but cars must be moved to off-site parking. There is free parking about 1/8 mile from Nelson's beach. Other boats must be launched at the ramp behind the East Bay Grille (state ramp). There is a \$5.00 parking fee payable to the Harbor Master for leaving trailers in the ramp parking lot. The lot in front of East Bay Grille is for restaurant patrons. Paying for parking/launching is a responsibility of the participants.

There is no rain date. After race expenses are met, paid registrants may receive a portion of their registration fee or partial credit towards next year's event.

Email completed form to aruocco@rwu.edu or bring with you the day of the race.

Contact Tony Ruocco (508-295-4134, aruocco@rwu.edu) if a boat is being shared.

Make check (\$35 per participant) payable to: Mass Bay Open Water Rowing, Inc.

Payment will be accepted onsite the day of the race.

Please ensure that you include your email address so that you can be notified of all upcoming events! Best to print information.
